

Camille's Colours

Answers

Count 8 things. Put a cross by the shirt.

Maze Did you make it? Put a cross by the trousers.

Find the sock Did you find it? Put a cross by the sock.

Puzzle Finished? Well done! Put a cross by the cap.

Mix That's right, yellow and blue make green.
Very good! Put a cross by Camille's jacket
and look for the next task.

Colours Answer: Red. If you like you can colour
the buttons on Camille's jacket red.

Spot the difference

- Train going the other way
- One chimney is gone
- The green door in the yellow house is now a window
- The child walking down the street with the other people is on the other side
- The lamppost at the front is gone.

Too small Very good! Put a cross by the
shoes in your suitcase.
