

Count

Camille has to find his trousers, shirt, socks, jacket, shoes and cap: how many things is that? I'll say them one by one, and you can count.

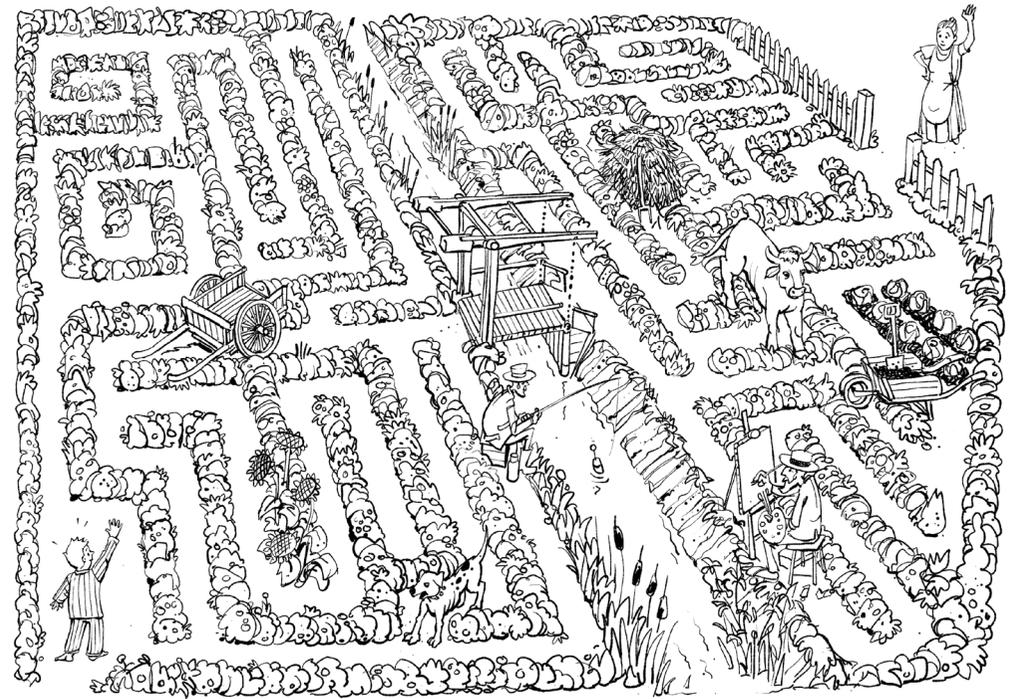

Do you know the answer?

Maze

Look, Camille's mother is on the other side of the river. She's got Camille's trousers.

Can you find the quickest way over the bridge?

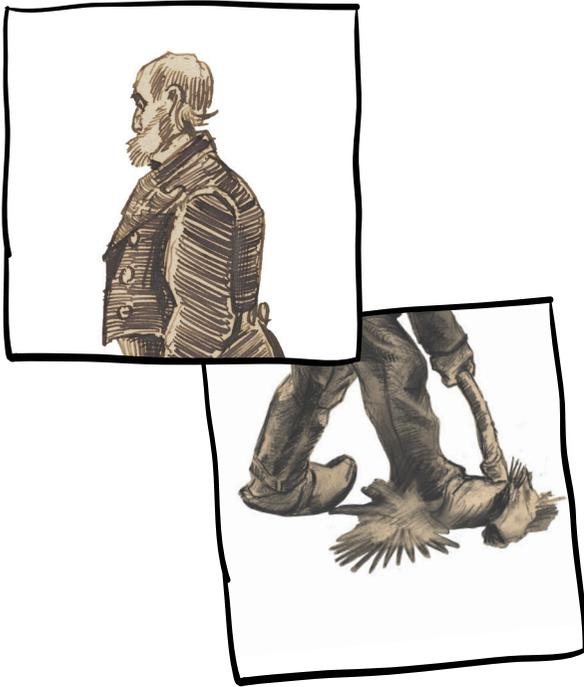

Positions

Van

Museum
Amsterdam

Everybody take two cards off the pile,
and put the two parts of the body together.
Now make the position you see on your cards.

Stay in that position while you go to the
next task.

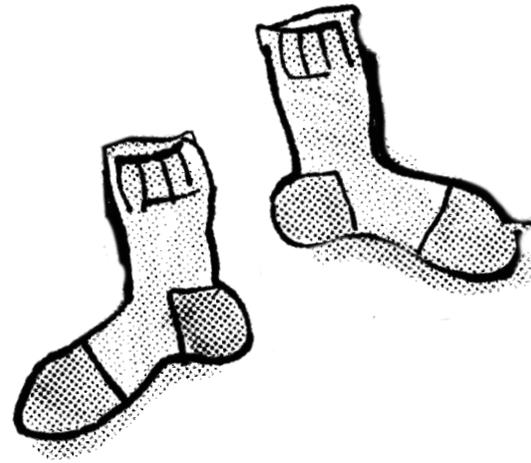

Find the sock

Van
Gogh
Museum
Amsterdam

Camille's socks are hidden in this
painting. They are the same colour
as butter and sunflowers.

Can you find them?

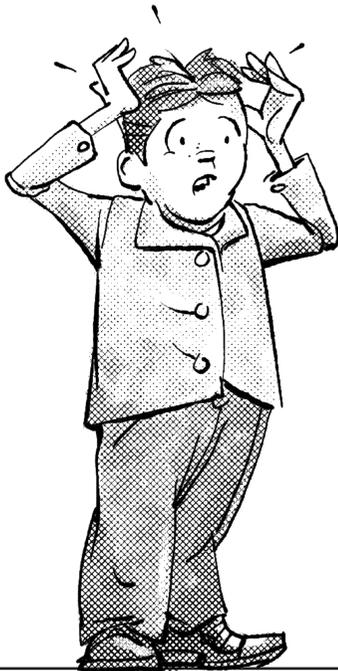

Puzzle

What does Camille usually wear on his head?
It's the same colour as the sky and the sea.

Do the puzzle and find the answer.

Hungry

All that searching has made Camille
hungry. What do you think he likes to eat?
Potatoes, broccoli, bread?

What do you like to eat? Colour the
things you like.

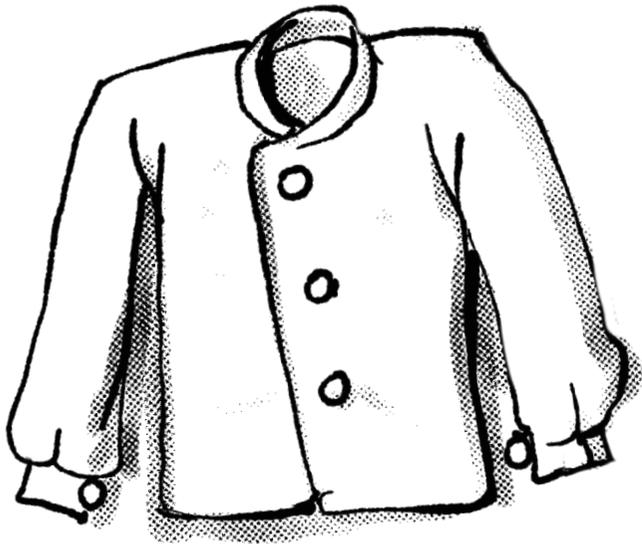

Mix

Van

Museum
Amsterdam

Camille's jacket is green. What colours do you mix to make green?

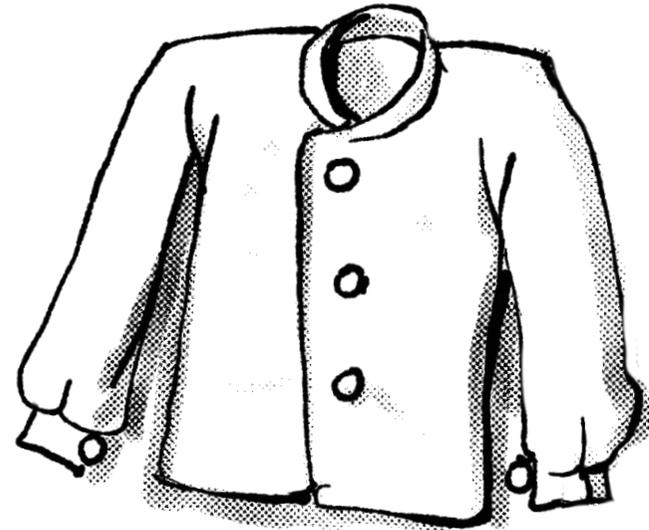

Colours

The button on Camille's jacket is the colour of strawberries.

What colour is that?

Spot the difference

Van
Gogh
Museum
Amsterdam

Can you spot the five differences between these two pictures?

Have you found them? Go to the next task.

Too small!

Camille's father Joseph is a postman. Today he's put on something that is much too small. Ouch!

Do you know what it is?
